

Dear Patient:

We would like to take this opportunity to welcome you to our Beebe Medical Group practice.

To make your visit more efficient, please:

1. Complete the enclosed forms and bring them with you on the day of your visit.
2. Bring your medications in the original containers to your appointment.
3. Bring any referral or authorization required by your insurance company to your appointment. If we do not have approval from your insurance company your appointment will need to be rescheduled.
4. Bring films or CDs from any facility other than Beebe Healthcare. It is important for a complete evaluation and for comparison purposes. Most radiology departments require 24 to 48 hours of notice.
5. Bring your health insurance cards, photo ID, and prescription card. All co-pays will be collected at the time of the visit.
6. Refrain from wearing any type of fragrance on the day of your appointment, due to the fact that some of our patients and staff suffer from asthma and/or allergies,

Please note, our providers are occasionally called to the hospital for emergencies and, therefore, we may have to unexpectedly reschedule your office appointments.

If we can be of any assistance to you, please don't hesitate to give us a call.

Thank you for trusting us with your healthcare needs. We are committed to providing you with a positive Beebe experience.
